PREFACE

IN presenting the Sixty-Seventh Annual Edition of the City of Hamilton Directory, we thank the business men and patrons in general for the liberal and enthusiastic support they have given us.

The number of names in the Alphabetical Section is 82,984. Wives' names approximate 32,400 making a grand total of 115,384 names in this section of the Directory.

The Street Directory shows some 43,450 listings including Householders, Firms, Offices, Buildings and Institutions. Our estimate of the population of the City proper is 165,900.

There are a number of persons whose names are in the directory who just live outside the city limits, and others who live in nearby municipalities including Bartonville, Hamilton Beach, Normanhurst, Strathbarton and Strathearne, so the residential and working population of Greater Hamilton is 169,150.

VERNON DIRECTORIES LIMITED,
Publishers.

ALFRED J. VERNON,
President and Managing Director.

April, 1940.
